Introduction

PaysGreat is a website on a very new concept in Indian e-commerce and financial institute market. Basically, the idea is to provide a credit facility to everyone. By this concept you don't need to worry about paying anyone even if you don't have any money in your pocket.

Through this no one have to compromise their purchase because of low wallet or bank balance. You can purchase or pay anyone though PaysGreat and you can simply pay back after a certain period.

Primary goals

Of PaysGreat
